Putting PENZANCE ARTISTS on the Map!

Bread street is a charming back street, running parallel to Market Jew Street in Penzance. It has always been a busy artisan area, with a history of alternative and interesting artists who reflect Penzance's diverse art scene. Bread Street is a vibrant community and we would like to invite you to visit some of the studios and small galleries that you can find hidden along and beside Bread Street.

Feel free to make your own trail. The galleries are open most days and the artists' are often busy in their studios but are happy for you to contact them and make appointments to pop in.
